Creative Writing

All lessons in the writing pamphlet are required for the final exam

Dear Ninth Graders,

Keep in mind that Revision Sheets are **NOT** enough at all to score well. Revision sheets are done only to provide you with an overall idea of the types of questions you will be asked in the final exam. You should read the texts carefully, study your notes on the copybook, Vocabulary Worksheets, Grammar Booklet, and all the given tests.

Wish you all the best!
