NOSTRIJE

National UAE Plan

Groups: 5 Groups, each group made up of 4 students.

2 Coordinators, one from each department

ETAL Parent Teacher Association ()

This is an internal project leading to external effects on the community (parents, students, teachers ...)

Grade 11GA will conduct a bake sale (One slice of pizza for 5 empty plastic bottles)

To get rid of this habit is pretty simple. People used reusable's to eat, drink and go about their lives for most of history, and you can too! Don't be discouraged; start small, and see how it goes.

TAKE THE PLEDGE

Teacher, parents and students took the pledge to stop using plastic water bottles

When taking the pledge, the Eco club members offered a reusable bottle to be used instead of the plastic bottle

Flowers Colouring Flowers!!!

Teachers as well where Colouring the flowers

Eco-Club Booth

I pledge not to drink bottled water while I'm at work.
